REMARKS

Claims 1-13 and 17-27 are active in the present application.

Applicants have now submitted a substitute Sequence Listing and a corresponding computer-readable Sequence Listing. Contents of the paper copy of the substitute Sequence Listing and the computer-readable Sequence Listing are identical. Support for all the sequences listed in the substitute Sequence Listing can be found in the present application. No new matter is introduced by the submission of the substitute Sequence Listing and the computer-readable Sequence Listing.

The specification and claims have been amended for clarity and to provide proper citation to the sequences in the substitute Sequence Listing. No matter is believed to be introduced by the amendments to the specification and claims.

In response to the Official Correspondence dated October 11, 2001, Applicants submit that the Declaration was properly filed on October 3, 2001 as evidenced by the copies of the Declaration and the date-stamped filing receipt submitted herewith.

Applicants submit that this application is in condition for allowance. Early notice to this effect is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
